Ms. Myers:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application and has the following comments:

1. It appears the individual is served from a private well – if “yes”, then adding a second dwelling unit to the well does not meet the definition of a public water system (i.e., two homes sharing a well remains a “private” water system).
2. If a third dwelling unit, as defined in WAC 246-294 and can include a garage apartment, mini-home, or other independent living space, is added, then the group of dwelling units (3 or more dwelling units served by the same well) meets the definition of a Group B water system.

If anyone has any questions or concerns, please contact DOH ODW.

Thanks,

Russell E. Mau, PhD, PE
