Ms. Myers:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the application generating the following comments:

- The application indicates that they will be part of a Group B public water system – what is the name and ID number for the Group B water system?
- As part of a Group B public water system, the “ADU” is an additional connection, so the existing home and the “ADU” will constitute two (2) connections.
- As a Group B public water system, Kittitas County Health has exclusive authority.

Thanks,

Russell E. Mau, PhD, PE
