NOTE: Somebody has this file open and I could not save the changes to the Master File. I did a "Save As" Master File 2 which is where the above link points to; at some point when the original is closed out I will delete the old one and rename this one as the "Master File". When that happens the link will be broken so you will have to go to: [\\arda\Teams\CDS\Projects\Segregations\SG 2004\SG-04-08021 Leishman](#) and open it manually.

Community Development Services has issued final approval for the above Boundary Line Adjustment Application. Please review this submission via the hyperlink above or through the established link under the attachments tab in EDEN for finalization.

Thank You,
