FROM: Scott Turnbull, Staff Planner

DATE: July 14, 2006

SUBJECT: Paul Properties (SEG-06-79)

DESCRIPTION: Segregation in Commercial Ag Zone

PARCEL  
NUMBER(s): 18-19-27000-0008 &0029 (total of approximately 60.22 acres)

---

Kittitas County Community Development Services has reviewed the proposed Boundary Line Adjustment application and hereby grants:

### PRELIMINARY APPROVAL

Pursuant to Kittitas County Subdivision Code Chapter 16, please note the following items that must be completed prior to final approval of the boundary line adjustment and must be submitted to our office for review:

1. A legal description or survey of the Boundary Line Adjustment reflecting the new acreage and lot dimensions must be submitted to our office and reviewed for final approval.
2. Full year's taxes need to be paid for all tax parcel numbers per requirement of the Kittitas County Treasurer's office.
3. Please refer to the attached Kittitas County Public Works Memo for additional information regarding additional requirements.
4. In order to provide irrigation water to newly created lots, administrative segregations must meet KCC Subdivision Code Chapter 16.18 Irrigation requirements. A certificate/letter of approval must be received from the irrigation entity representative stating that the proposed parcel creation meets the irrigation entity requirements (KCC 16.18.030). It is the applicant's responsibility to contact the related irrigation district to fulfill any irrigation district requirements. The subject properties are shown to be located within the KRD jurisdictions.

1. Our department has reviewed the Request for Parcel Segregation Application and finds that it meets current Kittitas County Road Standards. **Our department recommends Final Approval.**

The applicant needs to be aware of the following:

- a. An approved Access Permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or performing any work within the County Road Right of Way.
- b. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- c. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.
- d. All roads located within this development and/or providing access to this development shall be constructed to current county road standards. Any other maintenance agreements, forest service road easements, state easements or cities may require higher road standards. The higher of the road standards shall apply.
- e. Evidence of existing access and/or evidence of access to be created should be confirmed prior to sale of property.
- f. It appears that access to some of the lots created thru this Boundary Line Adjustment and Parcel Segregation involve KRD crossings. The applicant should contact the Kittitas Reclamation District regarding any additional requirements they may have.
- g. Access is not guaranteed to any existing or created parcel on this application.**

**In addition to the above-mentioned conditions, all applicable Kittitas County Road Standards apply to this proposal.**

Please let me know if you have any questions or need further information.
