Community Development Services has issued final approval for the above Boundary Line Adjustment Application. Please review this submission via the hyperlink above or through the established link under the attachments tab in EDEN for finalization.

Hey Christi,

Sorry about this one it is a bit of a beast. Just to clarify it is a Seg from way back (obviously) that was converted to a BLA; it then went through several iterations and negotiations to land at the current stat. I hope it all makes sense; give me a call if you have any troubles.

Thank You,

Jeffrey A. Watson
