Orphan Girl

Main Ridge Rd

This is an aerial photograph of a forested landscape. A large, irregularly shaped area in the center is outlined with a green border and filled with a diagonal hatching pattern. The text 'SG-12-00003' and 'Orphan Girl' is printed in green within this hatched area. To the right of the hatched area, a winding road is visible, with the label 'Main Ridge Rd' written along its path. The surrounding terrain is covered in dense green vegetation, with some lighter-colored patches indicating cleared areas or different types of vegetation. The image is overlaid with a black grid pattern.
