RE: BL-13-00031 Clerf

Dear Mr. Watson,

This comment letter is in regards to Boundary line Adjustment proposed by Howard Clerf with the above referenced file number. These parcels currently do not have any structures. In the future, these parcels should be served by municipal water and sewer if any structures with plumbing are built.

If you should have any questions, comments, or need any additional assistance, please don't hesitate to contact me (509) 933-8262.

Sincerely,

Joe Gilbert
