Mr. Gray,

As long as there are no alterations or changes that need to be made, then a scanned version of the survey with an AFN # will suffice. However, if there are changes required after your conversation with PW, then a new version will need to be submitted.

Thanks,

Dusty

Mr. Gray,

As long as there are no alterations or changes that need to be made, then a scanned version of the survey with an AFN # will suffice. However, if there are changes required after your conversation with PW, then a new version will need to be submitted.
