A message regarding COVID-19: Over the last several years Encompass has made significant business continuity investments to ensure our ability to operate during a local, regional or national disaster. At no point did we envision a global pandemic. While our top priority is the safety of our employees, we want to assure our clients that, despite some delays that are out of our control and unavoidable, we are currently operating with minimal disruptions. Our physical offices are closed to outside visitors but employees are transitioning back into the office, phones will be answered and your project will continue to move forward as much as possible given the circumstances.
