Good afternoon,

Please see attached correspondence regarding your Boundary Line Adjustment application. I saw your request to have this expedited. Please know, I am working on several projects, but will work as efficiently as I am able to on your project. For your reference, the quickest I have seen a BLA completed from start to finish was 5 weeks.

If you have any questions, please contact me directly.

Thank you and have a great day!

At this time many of us are on a rotating schedule working from home and in the office; during this time I will do my best to respond to you as promptly as possible.
