Thank you Ginger,

I have confirmed with that county engineer that this survey looks fine. You can proceed with recording. Once it's recorded, please send a copy of it back to me and I will send it off for final approval with the Assessors office.

Best,

## Ellie Myers

Hi Ellie:

I have attached a pdf of the final copy of the above project for your review.

It appears by the Public Works Plan Review Team (dated March 11, 2025), that Justin had no survey comments for this project, and it is suitable for final.

Let me know when this survey can be recorded.

Thank you for all your help and have a great day,

Ginger 😊
