Subject: BL-26-00005 Mattson - Updated Survey

Good morning all,

The Mattson BLA applicants sent me the attached updated survey this morning. Rebecca & Justin, if you could please let me know if there are further corrections that would be great.

Public Health officials, I'm including you on this correspondence because the submitted comments from your department included requirements that pertained to the survey/site map. Please let me know if there are further requirements or if you need further documentation from the applicants that KCPH has yet to receive.

Thank you all,

Zach Torrance-Smith
