Re: Kittitas County Permit SD-13-00001 - Approved
Grant County PUD - Applicant
Shoreline Substantial Development Permit (SDP) 1759

Dear Mr. Little:

On October 30, 2013 the Department of Ecology received notice that Kittitas County approved your application for an SDP. Your permit allows you to develop 10 tent campsites, associated parking, trails and other day use improvements on approximately 5.6 acres of property within shoreline jurisdiction of the Columbia River.

By law, local governments must review all SDPs for compliance with:

- The Shoreline Management Act (Chapter 90.58 RCW)
- Ecology's Substantial Development Permit approval criteria (Chapter 173-27-150 WAC)
- The Kittitas County Local Shoreline Master Program

Local governments, after reviewing SDPs for compliance, are required to submit them to Ecology. Your approved SDP has been received by Ecology.

What Happens Next?

Before you begin activities authorized by this permit, the law requires you wait at least 21 days after October 30, 2013, the "date of filing". This waiting period allows anyone (including you) who disagrees with any aspect of this permit, to appeal the decision to the state Shorelines

Hearings Board. You must wait for the conclusion of an appeal before you can begin the activities authorized by this permit.

The Shorelines Hearings Board will notify you by letter if they receive an appeal. We recommend you contact the Shorelines Hearings Board before you begin permit activities to ensure no appeal has been received. They can be reached at (360) 664-9160 or <http://www.eho.wa.gov/>

If **you** want to appeal this decision, you can find appeal instructions (Chapter 461-08 WAC) at the Shorelines Hearings Board website above. They are also posted on the website of the Washington State Legislature at: <http://apps.leg.wa.gov/wac>.

Other federal, state and local permits may be required in addition to this shoreline permit.

If you have any questions about this letter, please contact me at (509) 575-2616.

Sincerely,

Catherine Reed, Wetland and Shoreline Specialist
Shorelands and Environmental Assistance Program
