Mr. Bonewits,

I have received your email and put it in the correspondence file. The application is currently on hold awaiting additional information from the applicant, when and if that information is received to my satisfaction I will issue a notice of application at which time the comment period will be open for 15 days. Following that, an open record public hearing will be scheduled before the Kittitas County Hearings Examiner at which time you have an opportunity to testify and provide additional written comments. From there a closed record hearing will be held before the Board of County Commissioners at which they will make the final decision. That decision would be appealable to Superior Court through the LUPA Process.

I keep you up to date,

Hi Jeff,

Im Michael Bonewits residing at 3380 Mc Manamy Rd.

I became aware of the Carlson proposal through the posting of the sign even though its impossible to read due to fading of the writing.

I had to call in to get the information.

Id like to be kept in the information chain through all stages of the Carlsons process.

Also I would like to know when time to comment on their proposal is.

Please reply to confirm this request for information regarding the proposal through emails and telephone calls.

Sincerely, Michael Bonewits
