Thanks for the phone call this am regarding the Webb CUP. When you get time go ahead a get me the final comment. Regarding our discussion of the final comment and it's request to incorporate comments from the previous process, our position is that since those comments were not specifically submitted by the end of the comment period of May 17th, 2016 @ 5p.m. that request should not be considered. Furthermore, the previous project was also withdrawn by the Webb's.

Regards,

Chad
