RE: Indian Camp Campground

Dear Kelly Bacon,

Thank you for contacting the Yakama Nation regarding the Indian Camp Campground Expansion (CU-19-00006). This proposed action is located in an area of high probability. It is located in areas known to the Yakama Nation as a traditional use and village site. We request a full archaeological survey, in addition to continued consultation prior to project implementation.

In response please contact Yakama Nation Archaeologist Jessica Lally (x4766).

Sincerely,

Johnson Meninick,
Yakama Nation Cultural Resources Program Manager
