Date: Thursday, May 20, 2021 9:48:47 AM

Good morning,

We would like to schedule a webex meeting to discuss the wetlands and shoreline associated with your Conditional Use application along with the Building permit submitted for a single family residence. Would your schedules work to meet tomorrow either at 11:00 am or 2:00pm? If neither of these times work, is there a day next week that would work best for your schedules?

Thank you,

Kelly Bacon
