Subject: CU-20-00006 Swiftwater Storage - Wetland Buffer Revegetation Plan
Date: Friday, July 16, 2021 2:51:02 PM

Good afternoon,

Thank you for submitting the revegetation plan for the Swiftwater Storage property along the northeastern portion of the property associated with the private camp sites. The plan looks great. We would like to ask that you include some native shrubbery to the plan as well as a monitoring plan for the revegetation sites.

Thank you,

Kelly Bacon
