RE: Brethren Frontier School Conditional Use Application (CU-22-00003) – Transmittal of Comments and Request for additional information.

Dear Applicant,

Enclosed are the comments received regarding the Conditional Use Permit Application (CU-22-00003) during the comment period:

| | |
|--------------------|--|
| September 15, 2022 | Kittitas Valley Fire and Rescue |
| September 15, 2022 | Snoqualmie Tribe |
| September 19, 2022 | Washington State Department of Health – Office of Drinking Water |
| September 22, 2022 | Kittitas County Public Health |
| September 27, 2022 | Kittitas County Public Works |
| September 30, 2022 | Washington State Department of Fish and Wildlife |

Kittitas County Public Health comments specifically address an issue with the location of the existing driveway and parking. It appears the driveway and parking currently goes over and sits on top of the drainfield. CDS is requesting the applicants address this concern and submit an amended site plan amending the driveway and parking areas to be outside the drainfield. Please include the drainfield location on the new site map.

Please review all comments and notify me of any questions. Feel free to respond to any comments and have them submitted by 5pm on October 17, 2022. Should additional time be needed for your response, please contact me directly prior to October 17, 2022 to request an extension. I will be issuing a decision recommendation based in part on the comments received. You will be notified if any of these comments require further action.

If you have any questions regarding this matter, I can be reached by e-mail at: kelly.bacon.cd@co.kittitas.wa.us
