Good Morning Chace,

Hope you're having a great week. I was informed yesterday of the potential use of sandelin lane as an emergency access road for the new cabin development of The Outpost. It is exciting to see the new homes going in. Our entire neighborhood has been trying to preserve the low traffic and quietness of Sandelin Lane. What can we do to preserve this knowing they are planning on putting an access road through and it would likely increase the risk of traffic on our little road. With all of the young kids that play in the area, I would encourage a way to have this gate keyed or locked. Any thoughts?

Thank you,
