Hi Laura,

Did you also want to cancel the SEPA checklist? I didn't want to make an assumption on this question.

Best,  
Bradley

Hello Bradley,

Hope you have been doing well. I am reaching out to you to request to cancel the conditional use permit application for this project. The client has decided not to move forward with this location, but I hope we will work together again in the future!

Let me know if you have any questions or need anything else.

Thank you,
