The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist, comment period and other information on file with the lead agency. This information is available to the public on request.

This MDNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period on the MDNS. Any action to set aside, enjoin, review, or otherwise challenge this administrative SEPA action on the grounds of noncompliance with the provisions of Chapter 43.21C RCW shall be commenced on or before May 5, 2022 by 5:00 PM.
