**Date:** Monday, March 28, 2022 4:09:53 PM

---

Kelly,

Public Works provided comments on the subject project February 25, 2022. Item 5 included in the comments is a bullet point related to the traffic monitoring process. Public Works has discussed this requirement with Suncadia. They are moving forward with the updated traffic monitoring locations as requested. Traffic monitoring is centered around Labor Day traffic, resulting in no new data at this time. We anticipate a count update after Labor Day with the updated report required at a later date. They have satisfied the requirement regarding traffic monitoring update at this time.

Thanks.

Joshua Fredrickson  
County Engineer  
Kittitas County Public Works  
Office: 509-962-7609
