Kelly,

Public Works has reviewed the public comments regarding the Suncadia Phase 2 Division 7 plat. Upon review of the comments and recognizing the need for a secondary access, Public Works would like to amend our comments. We would recommend against approval of the plat until such time that Suncadia opens the north access onto SR-903. This will provide an alternative route for residents in the event of an emergency.

Let me know if you would like to discuss.

Thanks.
