16. The Palomino Fields Division 1 plat was originally recorded under Receiving No. 201708150006. This plat division is being recorded again to correct scrivener errors that were discovered after the original recording.

WATER NOTES

On February 8, 2017 Chicago Title and Ellensburg Water Company were contacted to find any information regarding the location and ownership of the "Town Ditch". At that time both entities were unable to provide any information to said ditch. The Ellensburg Water Company believes there is at least a prescriptive easement for said ditch but we do not have any documentation to prove this or even define said ditch other than the surveyed location shown on this survey.

SURVEYOR'S NARRATIVE

1. Historically two different location of the north quarter corner of Section 27 Township 18 North, Range 18 East, W.M. have been used. In 1977 via the short plat recorded under Kittitas Co. Auditor's File Number 418140, a monument was set. Subsequently the monument was removed possibly do to road reconstruction. In 1991 via the survey recorded under Kittitas Co. Auditor's File Number 539177, a nail and washer was set with a note that Kittitas Co. Public Works will set a monument in a monument case with future road maintenance in the vicinity. The location of these two monuments differ by 28.24 feet.
2. The 3-inch brass cap monument found at the intersection of Reecer Creek Road and Bowers Road was held to establish the north boundary of the northwest quarter of said section 27. By holding this monument property on the north side of this line had the fewest apparent negative impacts, while the property immediately on the south side absorbed all the decrease in size. In addition, most performed subsequent to 1991, have relied on this monument as the location of the north quarter corner.
3. However the 1977, monument location was held for the purposes of locating the following three parcels:

Kittitas Co. Short Plat No. A-22 recorded under AFN 418140

Tract 1 of Statutory Warranty Deed recorded under AFN 201410160051

Tract 2 of Statutory Warranty Deed recorded under AFN 201410160051

In addition, other monuments and fence lines were used to help confirm the boundaries of said Short Plat.

- 4. The west quarter corner of section 27 recorded on said Auditor's File Number 418140 was calculated. However, on an adjacent survey to west, a 1-1/4 inch iron pipe was found and accepted as said west quarter corner. During this survey said 1-1/4 inch iron pipe was found and accepted as said west quarter corner.
- 5. The county road right of way for Reecer Creek Road has been defined differently by various plats along Reecer Creek Road.

After contacting Kittitas County and doing independent records research we found no specific description of said right of way other than the previously recorded plats. Therefore with no other evidence, for this survey, the centerline of the county road known as Reecer Creek was defined in the northeast quarter of the northwest quarter of said section 27 as coincident with the east boundary of the northwest quarter of said section. The said centerline matches that of said Auditor's File Number 418140.

RIGHT TO FARM NOTICE

The subject property is within or near land used for agriculture on which a variety of commercial activities may occur that are not compatible with residential development for periods of varying duration (RCW 36.70A.060). Commercial natural resource activities performed in accordance with county, state and federal laws are not subject to legal action as public nuisances (RCW 7.48.305).

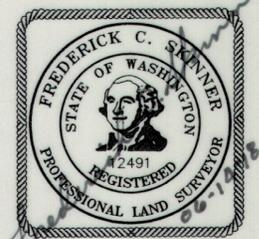

GENERAL NOTES

1. As Per RCW 17.10.140, landowner are responsible for the controlling and preventing the spread of noxious weeds. Accordingly, the Kittitas County Noxious Weed Board recommends immediate reseeding of areas disturbed development to preclude the proliferation of noxious weeds.
2. Construction of access improvements will require obtaining an access permit from the Department of Public Works. All access improvements shall be completed in accordance with current Kittitas County Road standards prior to issuance of a building occupancy permit for any proposed lots.
3. An easement of ten feet in width is reserved along all parcel lot lines. The ten foot easement shall abut the exterior plat boundaries and shall be divided five feet each side of the interior lot lines. Said easement shall be for public utilities, gas, irrigation, and cable television.
4. Subdivision Guarantee No. 72156-44948147, as provided by Chicago Title Insurance Company. All easements from said Subdivision Guarantee have been reviewed, those with a plottable location have been shown on face of plat.
