LP-07-00060 Sunset Farms Long Plat in Kittitas County

Your Job No. 207203

Good Afternoon,

[Kittitas County Code Chapter 16.20](#) outlines the requirements for final plats; The mylars you sent to our office regarding the above plat do not depict the well location and 100 ft radius as required by 16.20.040(16). We will also need a title report to verify dedications as required by 16.20.030 (we have computer closures here; I trust they are still valid). Please feel free to contact me should you have any questions.
