Subject: Plat Extension Approval – Akehurst Plat (LP-08-00033)

To all concerned,

Kittitas County Community Development Services (CDS) received your Plat Extension application request (PE-16-00004) on August 19th, 2016 requesting a one-year extension for the Akehurst Plat (LP-08-00033). Per Kittitas County Code 16.12.250 Expiration "...Any applicant who files a written request with the administrator within 30 days before the expiration date, showing that the applicant has attempted in good faith to submit the final plat within the time period and that the associated fees are paid, shall be granted a one-year extension. Such an extension can be requested and granted five times."

This project was granted preliminary approval on September 15th, 2009 through Ordinance 2009 -20. Kittitas County grants your extension request based on your statement that you are working through the process of satisfying Environmental Health requirements in respect to changes in county code and the comprehensive plan. CDS granted an extension, and the expiration date for the Akehurst Plat has been extended to **May 15th, 2017**. Should you require another plat extension in the future, your application must be submitted prior to 30 days of expiration to Community Development Services for consideration.

If you have any questions, please feel free to contact me.

Sincerely,

Robert "Doc" Hansen
Planning Official
