

Updated Narrative Received 6/20/2025

Project Narrative:

Thomas wants to combine two parcels (#245235 & #255235) into one parcel. He has a residence on parcel #255235 and garage/outbuilding on parcel 245235.

- What is on the involved parcels? (All Buildings) **Residential buildings (residence, garage/shop, garden shed, metal carport)**
- Project's total size. **Parcel # 255235 is .49 acres in size. Parcel # 245235 is 0.48 acres in size. Total acreage is $0.49 + 0.48 = 0.97$ acres. This information is on the application.**
- Property location, either an address or a parcel number will work best. **The application has both parcel numbers written on it. Property tax statements for both parcels were included with the application, and they both had the tax parcel numbers listed and an address.**
- Water Supply. **Community Well**
- Sewage Disposal. **On-site septic**
- Anything else necessary to understand the parameters of the project. **Nothing additional to add at this time.**
