Good morning Austin,

I believe these conditions would be through our Public Health Department. Holly Erdman or Jesse Cox would be able to answer your question in regard to timing. I have included Holly in the email.

Thank you,

Hi Kelly

Hope you had a great weekend. I wanted to reach out with one additional question that we have related to our Hyak B development site. We have been in discussion with the Snoqualmie Pass Utility District regarding water and sewer connection fee payments and the timing of those payments. The estimate we received from SPUD shows pretty substantial fees, so we want to be prepared to pay those at the appropriate time. We anticipate those fees will need to be paid at the time we submit for our building permits. Would you be able to confirm that timeline for us? Or, if they are required to be paid at a different time, that would be very helpful to know as well.

Thank you for your help,
Austin
