I looked up the tax parcel, and they are paying fire district levy tax. That area was on my list to annex but looks like they are in the fire district. Thanks for your help Ellie.

It's also possible our GIS data is outdated, so if you find something suggesting this area isn't in your district let us know and we can update it!

Okay thanks Ellie, I'm sure I can do a better job of finding that stuff if I'd spend a little more time looking

Good morning Jay,

Our Fire Districts layer on Compas shows the county wide fire district boundaries. I'm cc'ing Dan to see if he has any maps/figures or knows where to find them.

Best,

Hi Ellie,

I was under the impression these parcels off USFS RD 4832 are not in Snoq Pass Fire & Rescue's fire district but after looking it appears they are. Do you by chance have a map or know of someone who does that shows the fire districts boundaries? Thank you.
