Morning Ellie,

I just got an email from Ed. He told me that he spoke with you. Since the IDP doesn't need to be submitted now, we don't have anything else to submit.

When might we hear back regarding the committee's decision?

Thanks again for all of your help.

I believe an extra week should be fine. I will email Ed now and let him know. If he does need more time, I will let you know.

Good morning Maryn,

We can extend the deadline for your comment responses. Does next Thursday work?

The IDP just needs to be onsite when you are building. We don't need to review it.

Best,

Ellie Myers

Hey Ellie,

I want to request additional time to respond to a few of the comments. Ed Sewall is helping us put something together in response to Fish and Wildlife's comments, but he won't be able to get it to me in time to submit it before tomorrow's deadline.

I do, however, have an Inadvertent Discovery Plan that we put together should we find artifacts or remains. Should I wait to submit everything together?

Thank you for considering our request for more time.

Sincerely,

Maryn
