RE: WSDOT Teanaway River Bank Shoreline Conditional Use Application (SC-21-00001) – Adoption of Project Specific SEPA DNS

All interested parties:

A SEPA DNS determination was issued for the Teanaway River Bank Stabilization Project on March 23, 2021, by Washington State Department of Transportation. Pursuant to WAC 197-11-600(4) Kittitas County can adopt the project specific existing DNS document for all necessary permits (Shoreline Conditional Use Permit SC-21-00001).

Kittitas County has determined no further environmental review is required and hereby adopts the Teanaway River Bank Stabilization DNS.

An electronic copy of the DNS is available in the County project file and on the CDS website.

If you have any questions regarding this matter, please contact the project planner, Rachael Stevie at (509) 962-7637, or by e-mail at rachael.stevie.cd@co.kittitas.wa.us.

Sincerely,

Jeremy Johnston,
Planning Official & SEPA Responsible Official
