**SITE NOTE -**  
This site plan base is taken from a topographic survey prepared by Horton Dennis and Associates, Inc., 6133 8th Ave. S., Seattle, WA 98008 and taken from an aerial topographic map prepared by Walker & Associates, Inc., not dated. This plan documented the topography at 10 foot contour intervals. It is to be used for conceptual purposes only and not for construction. An accurate 1' contour topographic ground or aerial survey should be prepared in advance of any implementation or construction planning.
