Thanks Zach,

This looks ok to me.

1. Engineering: We don't plan on any substantial grading or filling.
2. Flood: None of the trees we intend to remove are in the 100 year plain.
3. Water: We are not applying for any building permits.

I am reaching out to some professionals to conduct the cultural resource survey and reached out to Adam at the Snoqualmie Tribe to confirm if the professional conducting the CRS can also assess the trees we plan to remove for Cultural Modification.
