Hi Ellie,

I believe the appeal period expired yesterday, did anyone reach out to the County to appeal your decision?

The program we use to process payment automatically applied an expiration date, so I apologize for the confusion. You can ignore that.

Hi Carol,

As long as the proposed maintenance does not change, then there is no expiration date for the exemption.

Hi Ellie,

Can you confirm the date the Shoreline Exemption expires? The property owner will not allow us to start work during the summer season. I want to make sure we have enough time between the time the owner will allow us to begin, when the ground will become too cold for trenching, and when the Shoreline Exemption expires. I didn't see an expiration date in the letter.

Thank you,

Carol Orr
