Hi,

I leave on vacation tomorrow early am and return on the 27th. Can we schedule a time to meet at property any date after that? I would like to meet so that I'm clear on all of the below. I was not told we needed exact numbers location as the site plan provided showed septic tank etc. I've never done one of these so just need some guidance. Thanks so much.

Thank you so much,

Tina

Good morning,

Please see the attached correspondence regarding your Shoreline Exemption application (SX-25-00011 McDonough). A physical copy of the correspondence has been placed in the mail.

I would also like to schedule a site visit before deeming this application complete. Is there a day and time that would work best for you?

Please let me know if you have any questions or concerns.

Best,
