Hi Mark. Im not sure why Ellie is seeing two different plans. Can you please share with her a clean copy of the septic design, please. I am trying to get a shoreline exemption permit and she is getting mixed designs. See plan public health has on file and my attachment.

Much appreciated!

Jill

Hello Ellie. I recieved your email. Here is the site plan design. Apologies, I thought I sent it to you. In regard to direction of my plan. I provided a ruff drawing. Is that not good? The house will not be going up for a few years.

As far as the measurements Dan S. measured when he came out to review. He mentioned you may call him for that. The design from Mark N. is accurate the measurement is 301 from his drawing at the stop. I hope this makes sense.

Thsnk you,

Jill
