Hi Ellie - just FYI that I have personally contacted no less than 10x engineering consultancies and none can/will do this CARA report.

Hi Ian,

I spoke with my manager about completing the CARA, and unfortunately they don't think it would be a good fit for us. We have a high overhead cost, and our company generally doesn't approve working on single-family residences because of the risk involved.

Have you tried reaching out to AESI?

I'm sorry I can't be of more help on this one.

Thank you,
