Hi Ellie – absolutely no problem. I think my wife and daughter are going to be up briefly Wednesday evening but otherwise no one will be there. Don't need to be there if its not necessary for you and team!

Good morning,

We will be in upper county later this week and I wanted to check and see if it's okay that we stop by this property? It's standard for us to complete a site visit before issuing decisions. You are welcome to meet us there, but it should only take about 10 minutes of our time to confirm that there aren't additional critical area buffers that we need to consider for the exemption letter.

The comment period ends for both shoreline exemptions Wednesday, I should be able to issue the exemption letters by the end of the week!

Best,

### Ellie Myers
