Hi Zach,

Thanks for sending these over. I've reviewed the combined comments and it looks like all agencies have no objections, and nothing is due from us: no additional permits, fees, or revisions. Please let me know if we're interpreting that correctly.

If so, we have no objections to any of the comments and you're welcome to proceed with the final decision.

Thanks,
Gus

If we have not received a response by August 3, 2026, we will assume you have no objections to any of the comments and will proceed with the final decision.

Let me know if you have any questions.
