Subject: Adoption of Project Specific SEPA DNS  
WSPRC Beverly Bridge (SD-20-00001)

All interested parties:

A SEPA DNS determination was issued for the Beverly Bridge rehabilitation project (SD-20-00001) on March 24, 2020 by Washington State parks and Recreation Commission. Per WAC 197-11-600(4) Kittitas County can adopt the project specific existing DNS document for all necessary permits (Shoreline Substantial Development Permit SD-20-00001).

Kittitas County has determined no further environmental review is required and hereby adopts the WSPRC Beverly Bridge rehabilitation project DNS.

An electronic copy of the DNS is available in the County project file and on the CDS website.
