Subject: SD-22-00001 North Jetty Cove Project

Good afternoon,

All of our projects are guided by our Historic Properties Management Plan in Consultation with the CRWG. The CRWG is our Cultural Resources Working Group which includes the CCT Tribal Historic Preservation Officer and the Tribes CR office. Our archeologist has contacted the Tribes CR office and they said that the request wasn't from them. Please let us know if you need any additional information.

Thanks,

Kylee Watkins
