Not a problem. We have always sent any followup comments directly back to the sender. I will ensure that is changed.

Also, please not I incorrectly stated September 31st for responses in the request. This is **August 31, 2022**, one full week.

Thanks,

Kelly Bacon

Good afternoon Kelly,

Could we have all future land use comments submitted to PublicHealthInspectors@co.kittitas.wa.us, I have multiple inspectors that can cover land use comments and this way they can all see what is being requested and get these back to you guys in the event that Holly is out.

Thank you,
