To Whom This May Concern,

I was saddened to hear that Kittitas County is considering a permit from Grant County to tear out the infrastructure, including the fountain and beach area, in Vantage, WA. As a person born and raised in WA state, I have traveled I-90 numerous times - Vantage is a stop that we usually always make. In addition, my family has camped there numerous times and even enjoyed concerts at the nearby Gorge Amphitheatre.

Please reconsider your plans for the Vantage, WA waterfront and preserve it for others to enjoy in the future.

Sincerely,

Shelli Morris

Edmonds, WA
