RE: Horish Shoreline Variance Application (SV-23-00001)

Dear Applicant,

Community Development Services (CDS) received your application for a shoreline variance on July 3, 2023. CDS has reviewed your submitted materials and has determined that the application submittal packet has been determined complete as of November 13, 2023 because the 28 day deadline to respond to the application has passed.

Continued processing of your application will include, but is not limited to, the following actions:

1. Specific Project Notice of Application will be published in the newspaper and sent to all adjoining property owners, governmental agencies, and interested persons.
2. Consideration of written comments from all adjoining property owners, governmental agencies, and interested persons.

You may pick up the "Land Use Action" sign at any time to be posted at the frontage road and return the signed affidavit of posting to my attention. After this has been completed I will be able to issue the Notice of Application.

If you have any questions regarding this matter, I can be reached at (509) 962-7539, or by email at [bradley.gasawski@co.kittitas.wa.us](mailto:bradley.gasawski@co.kittitas.wa.us).

Thank you,
