The Fire and Life Safety comments provided by the fire department previously are adequate.

Good morning,

We have received a final plat submittal for the Jerke Short Plat (SP-18-00001). This was given preliminary approval on November 6, 2018. All final plat documents can be found on the t-drive: [SPE 19-00003 Jerke](#) . I have included a copy of the Findings of Fact document with approval conditions. Please let me know if there is documentation you need to review that you are unable to find.

Please have all comments back to me no later than end of day, **Monday, August 15th**. As a reminder all final plats have to be reviewed and approved or denied within 30 days of submittal to the county requesting final plat review. We appreciate your quick turnaround on this.

If you have any questions, please let me know.
