Subject: Request for final review/comments SPF-20-00001 Rampart Row

Hello,

CDS is requesting a final review of the final short plat application SPF-20-00001. Public Health sent comments (attached) during the initial review period requesting proof of water prior to final approval. The applicant provided updated mylars and a compliance letter addressing the concerns noted by your department. Below is a link to the application materials. The applicants response letter is named "SPF-20-00001 Rampart Row resubmittal letter_4.16.20." Please let us know if the applicant has fulfilled the Public Health requirements by Monday, May 11 at 5pm. I suspect your office is very busy, so let me know if you have any issues reviewing the materials by that time.
