Zach – I was out office a bit last week and see I did not reply to the comments sent. I apologize for the delay and wanted to let you know Scott and I did discuss the comments. We recognize that we will need to meet with the state agencies to address the water and access with for approval. The Sewall critical area report dated 9/03/2024 submitted with the application should address the WDFW comments.

Please contact us back with any questions or if you need additional information to continue your review process.

Thanks,
