Hi Bradley,

This review is in response to the request for comment on the short plat application SP-25-00007 Suncadia Ph 3 Div 18

Please be advised that the proposed short plat and future development does occur within the traditional territory of the šn̓p̓ əšqwáw̓ səxw (people in between) or Wenatchi, one of the 12 constituent tribes of the Colville Confederated Tribes. This area is also determined by DAHP to have a high probability for cultural resources to be present, has quite a few archaeological resources within 1 mile of the APE and there has been no cultural resource survey conducted around this area in nearly 30 years. Given these conditions, the CCT recommends that a professional archaeological survey be conducted within the area and requests that, should such a survey be undertaken, the CCT is provided with a copy of the subsequent report.

Thank you,
