Good Afternoon Bradley

I am in consultation with Ladin Wedin of Suncadia and his consultant Steve Hackenberger. Suncadia is doing their due diligence with cultural resource survey on the project, and the consultant is currently in the permitting process to test the site that is in the residential offset of this project.

Since all of this is already underway, do I need to send you an official letter of any kind, or are we on balance here?

Let me know by the deadline if I need to get you something official.

All Best

James
